

GF Data's searchable data base is available on line at www.gfdataresources.com.

We provide detailed valuation data organized by business category and/or NAICS code. You can organize your search by TEV or by year, then print it or download it into Excel. GF Data reports at the finest level of industry detail at which there are at least three data points.

The GF Data searchable data base currently includes deals in 65 NAICS three-digit categories and more than 140 four-digit sub-categories. Some sub-groupings are omitted from the list below:
